

1 MDTV MEDICAL NEWS NOW - LASIK SURGERY

2 I've been looking for a lot of years. I had the 00:15:48

3 benefit of being the son of an optometrist. So for 00:15:52

4 about the last 15 years, I've been looking for some 00:15:54

5 way to avoid wearing my glasses. At some point, it 00:15:56

6 was made known to me that there was this LASIK 00:16:00

7 procedure which has a very high level of success and 00:16:02

8 for which I was a very good candidate. 00:16:06

9 MS. MURPHY-STARK: Now, after being 00:16:08

10 through this procedure, what do you think? 00:16:10

11 MR. KESSLER: I'm ecstatic. I'm also 00:16:12

12 grateful to Dr. Nevyas-Wallace. Since I had the 00:16:16

13 procedure, I am corrected vision free. 00:16:18

14 MS. MURPHY-STARK: So very happy with 00:16:20

15 the procedure? 00:16:22

16 MR. KESSLER: I am thrilled.

17 MS. MURPHY-STARK: Doctor, in what other 00:16:24

18 ways have you seen how this surgery can really help 00:16:26

19 people's lives? 00:16:28

20 DR. NEVYAS-WALLACE: Well, one thing I 00:16:28

21 hear over and over again from parents is that they 00:16:30

22 want to be able to see where their children are in a 00:16:32

23 swimming pool and in the ocean, and that when they 00:16:36

24 come out of the ocean, they'd like to be able to 00:16:38

25 find their family. I've heard from people who while 00:16:40
